

This architectural section drawing illustrates a building layout. A central horizontal corridor connects two main wings. The left wing features a large rectangular room with a smaller, lower section at its base. The right wing is taller and contains a large room with a smaller, lower section at its base. A small, square room is located at the far right end of the right wing. The drawing uses simple lines to represent walls, doors, and structural elements.

scala fissa a pelli verticale con pannello intermedio dotato lungo tutto la lunghezza di almeno per l'aggiunta di almeno 1 pz. antiscivolo e pannello metallico di protezione, lunghezza scala 5,75 m, che consente l'accesso alla copertura per la manutenzione dell'impianto fotovoltaico.

The floor plan shows a large rectangular building with a central staircase and two main open areas. The left side is labeled 'VUOTO SU LABORATORIO-OFFICINA' and the right side is labeled 'VUOTO SU MAGAZZINO'. The plan includes various dimensions and door types (Apertura a battente, Apertura a soffitto). A staircase is labeled 'SOPPALCO AD USO STOCCAGGIO IMBALLAGGI' with dimensions 22.36 x 5.00 and 146.90. The plan also shows a section labeled 'SOPPALCO' with dimensions 22.36 x 5.00 and 227.55. The plan is oriented with North (N) at the top.
